

### Booking information

We are happy to welcome you during the World Championship in September! The field will be accessible freely to everyone – any accreditation will not be needed. Will you be staying the full week and would you like to make use of our sleeping and catering facilities, please read below information.

### Competition accreditation

Participants of the competition will need to accredit themselves via the TWIF. This can be done via the website of the TWIF: [www.tugofwar-twif.org](http://www.tugofwar-twif.org).

For competition accreditation, participants pay €125,= per person. Next to this, €100,= is charged as team fee. This will be invoiced by Tug of War Holten.

### Register for accommodation and catering\*

We offer a **Full Package**. This package is including competition accreditation (for participants) and provides access to breakfast/dinner from Wednesday morning up and till Monday morning and accommodation for the full week. Please note: this is excluding lunch\*\* and a €50,= deposit for the bungalow per person.

This package costs €580,= per person and can be booked until August 1, 2022. We offer an Early Bird booking for €550,= per person. This booking and payment must be received by May 15, 2022.

The deposit and team fee will be invoiced separately later.

\*\*We do not offer lunch in the package. On the premises, there will be an extensive food area with tasty lunch offerings.

We work with an inventory system, named **EvA**. Via this system, a contact person of a group can indicate:

- Which people come;
- Which days you will be present;
- If a place to sleep is wished for;
- Which days you will join breakfast/dinner;
- Any dietary requirements + allergies.

[www.tugofwarholten.nl](http://www.tugofwarholten.nl)

**Already registered via the TWIF?** Please send an email to [info@tugofwarholten.nl](mailto:info@tugofwarholten.nl) for accommodation and catering. We will send a link to the contact person of the group to complete EvA. The already known information we receive via the TWIF, such as names of the athletes, are then pre-filled. The deadline for completing EvA is August 1, 2022.

**Not yet registered via the TWIF?** It is possible to already confirm numbers, so we could reserve a place to sleep for you. You can do this via [info@tugofwarholten.nl](mailto:info@tugofwarholten.nl). However, the accreditation is personal, so EvA needs to be completed fully for the final application. The deadline for completing EvA is August 1, 2022.

**15-18 SEPT 2022**
